GOAL

Select twelve youth in the community (6 Boys, 6 Girls) and take them through a 12 month community enrichment program. All twelve are expected to enter college knowing their career path and with great sense of commitment to their community

MISSION

The mission of Alexander Youth Etiquette Success is to promote the development of young people in achieving their physical, intellectual, and social potential by:

- Providing progressive training that empower and inspire youth during High School
- Fostering a commitment that will inspire youths to promote friendships, and strong interpersonal skills
- Creating business mentorship opportunities
- Reasserting a sense of hope in their future and increase the value of themselves and for their community.
